

SHALOM ALEICHEM

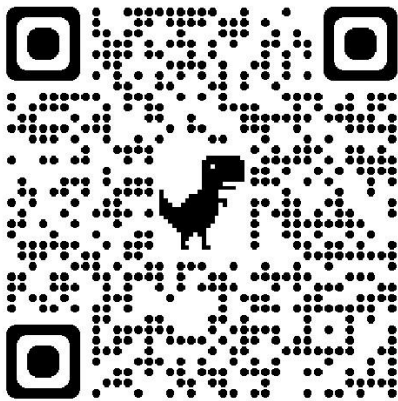

During this season, we are commemorating the birth of the world's greatest prophet and teacher, Jesus of Nazareth.

His philosophy of kindness to all, of treating others as you would have them treat you, and of unconditional forgiveness, has appealed not only to people who ascribe a theological dimension to this man, but also to those of other faiths and of no faith.

Whether you celebrate this season with metaphorical fantasies such as Santa Claus and his list of naughty and nice boys and girls (I am on all four lists), with devotions within the mythos of either or both of the Biblical nativity stories, or with a heightened attention to the humanistic qualities of the message of Jesus, we wish you a blessed and reinvigorating Christmas period.

With love from Alan (and Hoai-Nam, Lily, and Juliana).

ALAN'S INTERNATIONALLY ACCLAIMED ANNUAL "CHRISTMAS LETTER" IS NOW PUBLISHED AS "THE PREVIOUS YEAR IN REVIEW". IT WILL BE PUBLISHED ON HIS WEBSITE SOMETIME THIS DECADE.
